Upcoming Virtual Events

UCI Brain sends out a monthly digest of upcoming brain-related events, news, and positions from units across campus. Check out the complete event calendar and submit your event.

Michael Leon, Ph.D.
Center for the Neurobiology of Learning and Memory

July 6, 2021
11:00 am - 12:00 pm

2021 Virtual CNLM Seminar Series
Michael Leon, Ph.D., Professor of Neurobiology and Behavior at UC Irvine's School of Biological Sciences, is one of the speakers in the 2021 Virtual CNLM Seminar Series.

UCI Virtual Brain Camp
Center for the Neurobiology of Learning and Memory

June 19 - 30, 2021
9:00 am - 3:30 pm
UCI Brain Camp is a summer program for middle and high school students that offers an opportunity for immersion in neuroscience. This year's virtual 2-week full-day camp will feature lectures and seminars, workshops, laboratory tours and even hands-on activities that students will engage in from the comfort and safety of their own homes.

Understanding the aging brain
June 30, 2021
The UC Irvine Brain community is hiring. Below are a few of the open positions at UCI.

Visit our website to view all positions and to submit your open position for inclusion on our website.

---

**New Positions**

- **Open until filled**
  - Department of Health, Society, and Behavior Clinical Research Coordinator
  - Public Health Dean's Office Clinical Research Coordinator
  - Memory Impair Neuro Disorders (UCI MIND) Regulatory Specialist

- **Final Date: October 31, 2021**
  - School of Medicine – Anatomy and Neurobiology Postdoctoral Scholar – Alzheimer's Disease

- **Final Date: February 8, 2022**
  - School of Medicine – Psychiatry and Human Behavior Adult Residency Program Director (Open Ranks)

---

Upcoming Virtual Events

- **July 27, 2021**
  - Center for the Neurobiology of Learning and Memory
  - Gyorgy Lur, Ph.D., Assistant Professor of Neurobiology and Behavior at UC Irvine's School of Medicine, is one of the speakers in the 2021 Virtual CNLM Seminar Series. 11:00 am – 12:00 pm
