UCI Brain sends out a monthly digest of upcoming brain-related events, news, and positions from units across campus. Check out the complete event calendar and submit your event.

Duane Watson, Ph.D.
UCI Center for the Neurobiology of Learning and Memory

May 3, 2022
11:00 am - 12:00 pm
VIRTUAL

Understanding the link between language experience and language processing

The CNLM will host Dr. Duane Watson, professor of psychology and human development at Vanderbilt University, in a colloquium where he will present his latest research.

2022 CNLM Spring Conference
UCI Center for the Neurobiology of Learning and Memory

May 5 - 6, 2022
9:00 am - 5:00 pm
IN-PERSON VIRTUAL

Pathway to Memory
LEARNING | CONSOLIDATION | REPRESENTATION

Decades of research has shown that memory formation and representation is not a singular process, but rather a host of processes working together to encode, maintain, and augment memories to be used to inform behavior. This conference aims to understand these pathways to memory through three symposia.

Keynote Speaker:
Gina Poe, UCLA

Symposium Speakers:
Aaron Bornstein, UC Irvine
Lulu Y. Chen, UC Irvine
Upcoming Events

UCI Brain sends out a monthly digest of upcoming brain-related events, news, and positions from units across campus. Check out the complete calendar to view all positions and to submit your open position for inclusion on our website.

Faculty Positions

UCI Brain is a signature program of the Institute for Memory Impairments and Neurological Disorders

Final Date: May 16, 2022

Institute for Memory Impairments and Neurological Disorders

Director of Scientific Communications

Research Staff

Final Date: Dec 31, 2022

School of Social Ecology - Psychological Science

Specialist in Digital Mental Health

Final Date: Jul 31, 2022

School of Medicine - Dean's Office

Chair of the Department of Psychiatry and Human Behavior

Final Date: Jul 7, 2022

School of Biological Sciences - Neurobiology and Behavior

Associate or Full Professor of Neurobiology and Behavior

Learn More

Graduate Trainees, Undergraduates Students, and Faculty

offers awards to exceptional postdoctoral researchers, (CNLM) for the 2021 CNLM Awards Ceremony. The CNLM will be hosting Dr. Juliet Davidow, assistant professor of psychology at Northeastern University, in a colloquium where she will present her latest research.

Adolescent learning and goal-directed behavior

CNLM Colloquium Series

11:00 am - 12:00 pm

May 17, 2022

UCI Center for the Neurobiology of Learning and Memory

Juliet Davidow, Ph.D.
