

BRAIN CIRCUIT

Monthly brain-related updates for the UCI community

[UCI Brain](#) sends out a monthly digest of upcoming brain-related events hosted by units from across campus. Check out the complete [event calendar](#) and [submit your event](#).

Upcoming Scientific Events

[The Irvine Center for Addiction Neuroscience Symposium](#)

[Irvine Center for Addiction Neuroscience](#)

October 14, 2019

8:00 am - 5:00 pm

Join us for the Irvine Center for Addiction Neuroscience (ICAN) Symposium on October 14th, 2019. Over a billion individuals have substance use disorders across the world. ICAN aims to reduce substance use disorders through the promotion and development of sustained translational addiction research. [learn More](#)

UCI

[Kendall Lee, MD, PhD](#)

[UCI Medical Scientist Training Program](#)

October 14, 2019

4:00 pm - 5:00 pm

Dr. Kendall Lee, Professor and Director at the Neural Engineering Laboratory in the Department of Neurosurgery at the Mayo Clinic, will present 'Neural Engineering: Next Generation of Electroceuticals.' [learn More](#)

[30th Annual SoCal Alzheimer's Disease Research Conference](#)

[Institute for Memory Impairments and Neurological Disorders](#)

October 25, 2019

7:30 am - 4:00 pm

Join national experts for the 30th Annual SoCal Alzheimer's Disease Research Conference on Friday, October 25th at the Irvine Marriott Hotel. How close are we to solving Alzheimer's disease? What have we learned so far? Where do we go from here? For 30 years, the Annual SoCal Alzheimer's Disease Research Conference has delivered the latest knowledge in dementia research and care to the Orange County community. In its Pearl Anniversary, join national experts as they explore what we have discovered and charge forward with hope for solutions! [learn More](#)

UCI

[UCI Interdisciplinary Research Showcase and Workshop](#)

October 25, 2019

1:00 pm - 6:00 pm

Faculty and graduate students are invited to join in this new workshop designed to celebrate and promote effective collaboration in interdisciplinary research.

The UCI logo consists of the letters "UCI" in a bold, yellow, sans-serif font, centered on a solid blue square background.

Workshop sessions will address a wide range of topics of interest to UCI researchers, including hands-on tools for promoting effective cross-disciplinary collaboration and best practices for leading and sustaining interdisciplinary research and training programs. [learn More](#)

[UCI Brain Launch Event](#)

[UCI Brain](#)

November 21, 2019

8:00 am - 5:00 pm

Mark your calendars for the UCI Brain Initiative launch event.

The day will be focused on faculty discussions about team science, presentations by groups of UCI faculty and students, along with a special keynote presentation.

New Positions

The UCI Brain community is expanding! Below are just a few of the many open positions at UCI. [Visit our website](#) to view all positions and to submit your open position for inclusion on our website.

Faculty Positions:

[Neuroscience Faculty Position](#)

Department of Anatomy & Neurobiology

Final Date: June 30th, 2020

[Assistant Professor in Cognitive Sciences](#)

Department of Cognitive Sciences

Final Date: December 1st, 2019

Postdoctoral Fellows / Project Scientists Positions:

[Postdoctoral Scholar](#)

Department of Neurobiology & Behavior

Final Date: June 30th, 2020

[Postdoctoral Scholar – Patterson Laboratory](#)

Department of Psychiatry & Human Behavior

Final Date: June 30th, 2020

Research Staff Positions:

[Junior Specialist – Neuron Regeneration](#)

Department of Developmental & Cell Biology

Final Date: Mar 31, 2020

[Specialist Series – Sajjadi Laboratory](#)

Department of Neurology

Final Date: June 30th, 2020
