[UCI Virtual Brain Camp](#)

[Center for the Neurobiology of Learning and Memory](#)

June 19 - 30, 2021
9:00 am - 3:30 pm

UCI Brain Camp is a summer program for middle and high school students that offers an opportunity for immersion in neuroscience. This year's virtual 2-week full-day camp will feature lectures and seminars, workshops, laboratory tours and even hands-on activities that students will engage in from the comfort and safety of their own homes..
